Hawkins 2010 Contribution Policies: NY State election law permits cumulative contributions of up to $37,800 per individual, corporation, and PAC (Political Action Comittee), and $273,616 per family to a candidate for Governor. However, the Hawkins for Governor campaign believes the state limits are too high and give undue influence to wealthy individuals and corporate interests. The Hawkins campaign is therefore limiting the cumulative contributions it will accept to the Federal election law limits: $2400 per individual, $5000 per PAC (political action committee).

The Hawkins for Governor campaign does not accept contributions from for-profit businesses (including proprietorships and partnerships) or from corporate-sponsored PACs. The Hawkins for Governor campaign will accept contributions from the PACs of democratic people's organizations, including labor unions, cooperatives, and peace, environmental, and community organizations.
