

Same Sex Marriage?

Hillary Clinton: *NO*

Howie Hawkins: *YES*

**Tired of having your vote taken for granted?
Vote Howie Hawkins for US Senate!**

The Green Party believes in taking a stand for what you believe in. That's why Green Mayor Jason West risked arrest to perform same sex marriages in New Paltz in 2004. That's why Howie Hawkins is running for Senate on a platform of ending the war in Iraq, national health care, renewable energy, equal marriage rights, and much more.
